

Infinity Tattoo Designs

A collection of images of real infinity tattoos for men and women, intended to provide design inspiration for those who are considering the addition of a infinity tattoo or for tattoo artists working on an infinity tattoo for a client. This book contains approximately 60 unique designs. These images can be viewed in full color on the Kindle Fire, iPad, iPhone, PC, and other color smartphones and tablets. On other Kindle versions these images are displayed in black and white. Check out my author profile for dozens of other books of tattoo images.
