The Ultimate Guide to Steelhead Bank Fishing: A master class on steelhead fishing... packed with everything you need to know to start catching fish on a consistent basis.

In this, the largest, most complete book ever written on catching steelhead from the bank, you'll find everything you need to become a successful angler! Full time river guide JD Richey shares a lifetime's worth of knowledge and shows you exactly where steelhead hold and how to catch them. Thoroughly packed with useful information, The Ultimate Guide to Steelhead Bank Fishing features easy-to-follow descriptions plus tons of color photos and diagrams that cover rigs, techniques, baits and lures and more. Richey shows you, in-depth, how to read the water and figure out exactly where steelhead should be holding based on water height, color and temperature. You'll also learn how to expertly fish with drift gear, floats, spoons and plugs. Detailed rigging diagrams show you how to rig your tackle like a pro. Inside, there are many easy-to-follow lessons (with charts and photos) on essential skills like curing roe, making yarn balls, tying spawn sacks and building sinkers. Richey also covers important aspects of steelhead fishing from shore, like river etiquette, conservation and safety. Everything you need to know to take your steelhead fishing game to the next level is in here!
