

A best-selling hiking guide to Maine's most widely traveled region, completely revised and with 10 new hikes. Locals and visitors to Maine's beautiful coastline will find miles of satisfying hiking, with outings that range from short walks for families to all-day excursions for serious hikers. Each hike in this guide includes a topographic map, information on difficulty, mileage, and elevation, and a detailed description of the route. An overview chart at the beginning of the book describes the 50 hikes at a glance for easy trip planning. 75 black-and-white photographs
