

Flying - Another way to see Chinese Calligraphy

This beautiful book takes you in the world of art and writing. Chinese Calligraphy can be understood by itself by the Chinese speaking viewers whereas it requests a translation and an explanation for the western eyes. This book explains the creating part of the Universe, the Chinese star signs, the five elements relating to the Ba gua and the meaning of many Chinese good luck characters. India Ink Painting is also seen at the end of the book with its inimitable mat aspect. A book to read with an open mind let yourself carry away on a voyage all over the world.
