

## Review of Intensive Care Medicine

Keyed to the thoroughly updated Fourth Edition of Irwin and Rippe's Intensive Care Medicine, this review book is the perfect study aid for board examinations in critical care medicine and all related medical and surgical specialties. The new edition contains multiple-choice and true/false questions, with succinct and clearly written answers, corresponding to each of the 227 chapters of the highly successful and popular parent text. The page number in the text where more detailed information can be found is indicated in the answer to each question.
