

Proceedings of the Millennium NATO/CCMS International Technical Meeting on Air Pollution Modeling and its Application, held May 15-19 in Boulder, Colorado. This volume is the latest in a series of proceedings dating back to 1971. The book addresses the problem of air pollution and reports the latest findings and developments in air pollution modeling, from a truly international list of contributors.

Save the Babies: American Public Health Reform and the Prevention of Infant Mortality, 1850-1929 (The Henry E. Sigerist Series in the History of Medicine), Clinical Nursing Skills, Handbook of Health Care Risk Management, Occupational Therapy Certification Review, The Pharmacotherapy of Common Functional Syndromes: Evidence-Based Guidelines for Primary Care Practice,
