

A Christ Appointed Ministry: The Call of God

This book offers insight into what is necessary in order to effectively respond to the ministry call. The evidence of such a calling is a work of the Holy Spirit within the individual. The result of that work will be a burden of the heart. This burden of the heart is an expression of the heart of Jesus Christ for His church and His people, a driving force from within motivating the individual to enter into ministry work. As one follows and acts on the burden of the heart, he or she will experience a growing ministry vision. This burden and vision will draw them, as a magnetic pull, into the work of the ministry. All of this is a Christ-appointed work.
