

Coding Notes Pocket Coach for Medical Coding

Your professional coding coach at your fingertips. Increase your confidence with the expert guidance you'll find in the 3rd Edition of this easy-to-use guide. Here's all of the information you need to understand medical billing and coding procedures in a snap! It's your one-stop source for commonly used codes and categories that don't change frequently and ICD-10 references for locating codes that do. It's like having a master coder by your side showing you how to use the coding reference manuals to increase your efficiency and accuracy.
