

Remember The Poor & Needy Among Us

Remember the Poor & Needy Among Us; will help all the believing Christians to learn how important it is to give to the poor, the needy and the sick. Christians must give part of what God provides for them to increase the work of the Lord on this earth, to reach the people of the entire world for Jesus Christ in their own language. Christians must set apart for God every day, part of their income, and other natural resources to honor God and to enhance the work of the kingdom of God on this earth. They must also give their resources to charity, to the poor, so that the poor may have something to eat and be satisfied. When you make a feast, or doing any celebration, invite the poor and the needy. People who are unable to pay you back because they were unable to work for a living. By feeding them, clothing them, helping them, these types of charity are the true charity because they cannot pay you back, but they will pay you back with their prayers. God the Father Almighty will reward you from this earth to heaven; you are not going to lose your rewards. Reading this book will energize Christian believers to go to any level in order to help the poor among us.
