Calligraphy (FREE Bonus Included): Write Like In Those Vintage Letters You Saw In The Movies! One Week Lessons With Exercises To Write With Uncommonly Handsome Hand Although cursive writing has been on the decline, calligraphy is growing as a trendy skill. This book is aimed at that market, to make the best out of this stylist method of penning the page. Come along with us as we explore the best calligraphy techniques and skills! This book takes straight from the pages of Roman Emperors and High School Art teachers alike! Calligraphy is a wonderful skill to learn but it takes practice and more importantly it takes good teaching! And that teaching must be accurate from the beginning, because just like playing the piano form is very important. This is why it is so imperative to have good learning material to get you started out on the right foot. Getting you started right is the emphasis of this book, from buying the right supplies to creating a good workspace; nothing is left behind as we delve into the very best route to lead you to some uncommonly handsome handwriting! Some things covered in this book: History of Calligraphy Setting Up your Workspace What Writing Utensils to Use Finding the Right Design for You Making the perfect background for your Work Download your E book Calligraphy: Write Like In Those Vintage Letters You Saw In The Movies!
