

## The Edward Burr Van Vleck Collection of Japanese Prints (Chazen Museum of Art Catalogs)

The Van Vleck collection of Japanese woodblock prints is one of the Elvehjem Museum of Arts (now the Chazen Museum of Art) most important collections of more than 3700 prints collected by Van Vleck between 1910 and 1943, including the prints that Frank Lloyd Wright collected in Japan in the 1920s. This copiously illustrated catalog is the culmination of several years of intensive study and documentation, and is the first step in making this impressive collection accessible to museum visitors and scholars. Distributed for the Chazen Museum of Art, University of Wisconsin-Madison
