

Colonial Style: Creating Classic Interiors in Your Cape, Colonial, or Saltbox Home

California Cape Cods and 21st-century Colonials proclaim the enduring popularity of colonial architecture. Colonial Style provides both inspiration and practical advice to homeowners looking to increase their homes livability while retaining its classic charm. The book explains the differences between three styles - Colonial, Cape Cod, and Saltbox - and chapters cover doors and windows, trim work, built-ins, floor and wall treatments, paint colors, and incorporating today's kitchens and baths into a timeless colonial interior.
