

Country Interiors (Midsize)

The heart and soul of country houses around the world. The calm, quiet, green countryside is the ultimate escape from busy city lives. Living in harmony with the eternal landscape is the dream of many city-dwellers. In *Country Interiors*, editor Angelika Taschen and author Diane Dorrans Saeks take readers into the heart and soul of country houses around the world. On 304 colorful pages, readers visit creative weekend retreats, charming cottages, rustic hideaways, and traditional family homes. This collection of more than 40 private domains ranges through Europe, America, and Australia. Every page lives and breathes relaxed country experiences, and honors lives well-led in a rural setting. Each surprising and dramatic page brings to scintillating life the sounds, scents, emotions and images of country life in all seasons. *Country Interiors* is the definitive and heart-stopping book on country houses around the world.
