

Error Reduction in Health Care: A Systems Approach to Improving Patient Safety (J-B AHA Press)

An AHA Press/Jossey-Bass Publication Foreword by Lucian Leape Error Reduction in Health Care explores the complex causes of medical mistakes and offers sound advice for leaders who want to reduce the frequency of errors in health care services and mitigate the impact of those errors that do occur. The book is packed pull of examples of thorough incident investigations and process improvement recommendations from leaders in the field of health care quality and risk management.
