

Handbook of Forensic Medicine & Toxicology: Question Answer Format with Illustrations

This is an elaborate work which reveals a dedicated effort by a teacher to the homeopathic students. The book is equipped with an idea to catch hold with the vast expanding field of Forensic Medicine and Toxicology in simple and easy to understand manner for effective grasp of the subject. In this book, every topic has been detailed in question and answer format with illustrations and will help the students to acquaint to the questions asked in the last 10 years. The book has been designed to suit the B.H.M.S curriculum. It has been divided into three parts: Part I - Forensic medicine and Jurisprudence; Part II - Toxicology and Part III - Laws & Acts. Chapters such as CCH acts, sections of Indian penal code, Homeopathic practitioners Code of ethic and etiquette, legal procedures, instruments and appliances and poisons are well elaborated and will be of immense use for a homeopathic student. Every chapter is well explained with detailed information, charts, pictures, diagrams and tabular illustrations etc. It is a quick and precise aid for side by side preparation and revision for examination. This book shall benefit many students and practitioners. The question and answer format with precise data presented sufficient for students to memorise, revise and recall. A detailed explanation of all the answers with relevant examples is included. Compiled for both long questions and short notes, it covers most of the topics asked in examination. Explanatory charts, pictures, comparison tables and tabular illustrations and included. This title is suitable for quick reference and self assessment.
