

First steps in fishing: a beginners guide

First steps in fishing is a guide that will get you on the right path to the sport of fishing. Giving essential tips and advice on float fishing, feeder ledgering, casting, and how to set up your tackle. It also explains what to look for and where to fish once you arrive at the lake or pond for a days fishing. With this essential information you will be able to enjoy fishing and experience the thrill of catching your first fish and hopefully many more to come.
