

Nursing Ethics: Across The Curriculum And Into Practice

Newly revised and updated, the Second Edition of this leading ethics textbook integrates nursing ethics content throughout the nursing curriculum, preparing students and professionals for moral issues encountered in daily practice. Nursing Ethics: Across the Curriculum and Into Practice derives its theoretical foundations from clinical evidence and case studies. Emphasizing the collaborative nurse-patient relationship in care, this text includes decision-making approaches and models, rationale for decisions, and management of care for various situations.
