

African Journal of Reproductive Health: Vol.17, No.1, March 2013

Order from Amazon.com Order from Barnes & Noble.com More in... Medicine & Health Medicine & Health Book Information: 180 pages Publisher: BrownWalker Press ISBN-10: 1612336744 ISBN-13: 9781612336749 Year: 2013 African Journal of Reproductive Health (AJRH) is a multidisciplinary and international Journal published quarterly (March, June, September, and December) by the Womens Health and Action Research Centre (a Non-governmental Organization with headquarters in Nigeria). The publication of the journal started in 1997. As of December 2012, 51 editions have been published. The journal focuses on publishing original research, comprehensive review articles, short reports and commentaries on reproductive health in Africa. It strives to provide a forum for both African and foreign authors working in Africa to share findings about all aspects of reproductive health and also to disseminate innovative, relevant, and useful information on reproductive health throughout the continent.
