

This book brings together two scholarly traditions: experts in Roman, Jewish and Islamic law, an area where scholars tend to be familiar with work in each area, and experts in the legal traditions of South and East Asia, which have tended to be less interdisciplinary. The resulting mix produces new ways of looking at comparative law and legal history from a global perspective, and these essays contribute both to our understanding of comparative religion as well as comparative law.

The Nursing Experience: Trends, Challenges, and Transitions, Secretary Otitis Media and Its Sequelae (Monographs in Clinical Otolaryngology ; 1), Healing with Words: A Writers Cancer Journey, Managing Chronic Health Needs in Child Care and Schools: A Quick Reference Guide (American Academy of Pediatrics), The Typography of Oregon Newspapers as it Appears to an Old-Timer, The chiropractor / by D.D.
