

## OMA Rem Koolhaas: 9 built projects / 9 projets construits 1987-1997 (postcards in English and French)

Nine of Rem Koolhaas most important realized buildings from 1987 to this day are presented: Netherlands Dance Theater, Patiovilla Rotterdam, Nexus Housing Fukuoka, Villa Dall Ava Paris, Kunsthal Rotterdam, Dutch House, Lille Grand Palais, Educatorium Utrecht, Maison a Bordeaux. Each project is illustrated with two postcards; a separate text booklet contains OMA Rem Koolhaas descriptions of the nine buildings, including technical descriptions as well as a short biography on the architect. The architecture documented in this publication clarifies how Rem Koolhaas excitingly expands his creative limits with each new realized building. This case with postcards makes an excellent gift for anyone interested in architecture.
