

The Skilled Services Troubleshooter - an easy-to-read, 130-page reference guide and CD-ROM set by Kitt Wakeley, CNHA, MHA, MPA - will bring you and your staff up-to-speed on when and how to skill residents. Never again will you miss out on the benefits and reimbursement you and your residents deserve because you were unsure about the proper Medicare rules and regulations. The Skilled Services Troubleshooter takes the mystery out of skilled services and explains exactly when to skill, when not to skill, and why. Author Kitt Wakeley answers the most commonly asked skilling questions, translates all of the official rules and regulations from the Code of Federal Regulations, SNF Benefit Manual, and RAI Users Manual into plain English, making them easy to understand and apply, and provides proven strategies for increasing your skilled census and improving your facility's reputation with the support of your entire staff.
