

Queen of Your Body Parts is an illustrated reference guide of every emotion youve felt in a consumptive relationship - using only the bodies of nude women. A coffee table book of over 80 original drawings from Lauralee Benjamin, this is a playfully presented depiction of young, sexual beings and their self destructive, painfully pleasing exploits. Through vivid imagery and unapologetic sexuality, Queen of Your Body Parts tells the story of unrequited love, and undeniable passion.

Sketches and Reminiscences of the Radical Club of Chestnut Street, Boston (Classic Reprint), Whos Who in Egyptian Mythology, Dante and Other Waning Classics (Classic Reprint), Studyguide for Home Care Nursing by Anderson, Patsy, Auditory Event-Related Potentials to Words: Implications for Audiologists, The First Book of Microsoft Publisher,
