

Study Guide for Foundations of Nursing, 6e

This must-have Study Guide will help you understand and apply material from every chapter of Foundations of Nursing, 6th Edition! Use this study guide together with the textbook to gain a solid understanding of the key principles, concepts, and skills you need to succeed in your nursing education and career while also preparing for the NCLEX-PN exam. Labeling, matching completion, fill-in-the-blank, and multiple-choice review questions are specific to chapter objectives and include textbook page references. Critical thinking activities sum up important chapter concepts with realistic clinical scenarios. Performance Checklists correspond to skills in the textbook. More NCLEX exam-style review questions, including alternate-item formats, prepare you for class tests and the NCLEX exam. Additional critical thinking questions allow you to practice applying what you have learned.
