

Secrets of Superstar Chiropractors: Everything You Need To Know About How To Start, Run, Grow, & Market A Practice Straight From Chiropractic Industry Giants

In an industry where business building skills aren't usually taught, what chiropractor isn't hungry for a solution, something that will allow you to shortcut the learning curve of business and practice management. The harsh reality is that clinical knowledge is only one dimension of what you need to know to build a successful practice and a thriving career. Marketing and practice management are the skills that will give you the thriving practice that you want and the lifestyle you've always dreamed of. This book is a series of interviews with the most successful chiropractors from all across the country and exactly what they did to become so successful. Each chapter is a different interview and each interview covers a different topic. Think of it like having your very own personal board of advisors.
