

Excerpt from Trout Fishing In this edition there is a new frontispiece. I myself was well pleased with Rolfe's picture which adorns the earlier issues; but Mr. Adam Black thought that our version had not done justice to the original. He believed that a better reproduction was possible, and asked me whether Mr. Barratt would lend the original again. Mr. Barratt said Certainly, and had the picture brought to London from Kent; but he was willing to do more than the Publisher wished.
