

Orvis Guide to Fly Fishing for Coastal Gamefish

Marine researcher Aaron Adams shares his knowledge about sea grass, mangroves, salt marshes, oyster bars, shorelines, beaches, sand flats, and coral reefs from the Caribbean to the Carolinas, the Gulf of Mexico to the Florida coast, to give reader what they need to know to fish for tropical, subtropical, and warm-water species. Behavior, life cycles, and fishing tips for 25 marine gamefish and their prey are included. Species include red drum, spotted seatrout, permit, bonefish, snook, tarpon, barracuda, snapper, ladyfish, weakfish, bluefish, striped bass, cobia, cero mackerel, Spanish mackerel, and jacks. The updated and revised new edition contains new chapters as well as an all-new art program.
