

The Writers Workbook, Second Edition gives you the skills you need to succeed in today's health care publishing marketplace. In nine easy lessons, the author addresses how to get started, what types of manuscripts publishers look for, and reasons that manuscripts get rejected. If you are a dean or director, nurse educator, graduate student, or practitioner, you will be better prepared to write and get published after using this workbook.

Work of Counsellors in General Practice (Occasional Paper), Speech Pathology: An Applied Behavioural Science, Managing Diabetics Properly (Nursing Skillbooks Ser.), Evidence-Based Psychotherapies for Children and Adolescents, Architectural decoration constructed data set (revised edition),
