

The Aphasia Series Vol. 1: SFA, RET, RAP

The Aphasia Series, Volume 1 is your source for the first three books in the series: The Clinicians Guide to Semantic Feature Analysis for Aphasia, The Clinicians Guide to Response Elaboration Training for Aphasia, and The Clinicians Guide to Reducing Aphasic Perseveration. The print version includes access to the companion eBook and supplemental materials, such as scores sheets and SFA charts, suitable for copying. Recipe SLP guides apply and describe the method and science of each treatment to help you use them effectively for a variety of clients. Each guide provides a step-by-step how-to for implementing the treatment. offers a sample client-clinician exchange to illustrate the treatment in action. describes modifications and variations of the treatment. briefly summarizes the theory and evidence for the treatment. includes a bibliography and website links which are a helpful starting point for anyone who wants to further explore the method and science of the treatment.
